Date:

Friday, March 7, 2014

Location:

Riverside Doctors Hospital
1500 Commonwealth Avenue
Williamsburg, VA 23185

Cost:

- \$185
- Price reduction for 2 or more from same agency
- Limited number of scholarships available

NCCDP Approved Instructor:

- **Denise Scruggs, CDP, ADC, & Approved Instructor, NCCDP.**
Denise is the Director of the Beard Center on Aging. She has over 15 years experience working both personally & professionally with persons diagnosed with dementia. She is a certified activity director & has experience in long term care and adult day care activities. She has also managed a memory care unit, & provided one-to-one consultations with families and facilities providing care for adults diagnosed with dementia.

Whether you want to increase your knowledge or pursue certification as a **Certified Dementia Practitioner**, this class is for you.

This class meets ONE of the requirements for becoming a Certified Dementia Practitioner. For more information on certification & other requirements go to www.nccdp.org.

Who should attend: Nurses, C.N.A.'s, Social Workers, Activity Professionals, Geriatric Care Managers, Licensed Nursing Home Administrators, Assisted Living Administrators, Dietary Personnel, Pastors, and all other long term care staff and caregivers.

Topics to be covered: overview of dementia, activities, feelings, environment, staff & family relationships, caregiver stress, end-of-life issues, sex & intimacy, hoarding, communication, repetitive behaviors, paranoia & hallucinations, pain management, depression, personal care, and many more...
